FOUNDATION DAY-2017

VENUE: Auditorium, Department of Biotechnology, Indian Institute of Technology Roorkee

DATE: November 24, 2017

Biological Engineering Society will celebrate its foundation day on Friday, November 24, 2017 in the Auditorium, Department of Biotechnology, IIT Roorkee. On this occasion, the research scholars (may belong to any department), working in the field of biological engineering, are invited to present their research work in form of oral presentation. Scholars are requested to submit an extended abstract (around 500 words) and fill up the registration form (available in the website) and email it to us. The last date to submit abstract and registration form is **November 22, 2017 (Wednesday)**.

Email address for sending abstract and registration form:
besfoundationday@gmail.com

- **No registration fees**
- **Certificate for oral presentation will be provided**
- **Only selected papers will be allowed to present**

Sanjoy Ghosh
General Secretary
