

**4th Biological Engineering
Society Conference – 2022**

BESCON 2022

&

BESI Annual Meeting

Smart and Sustainable Bioprocessing
through Gene & Process Scale Collaboration

Venue: Bose Institute, Salt Lake, Sector V, Kolkata

 **November 04-06, 2022**

Thrust Areas

Genome and Metabolic
Engineering

Bioprocess and Biochemical
Engineering

Protein/Enzyme
Engineering

Biorefineries for Biofuels and
Biorenewables

Systems and
Synthetic Biology

SDGs for Health–Energy–
Environment–Water Nexus

Environmental and
Marine Biotechnology

Biomaterials and
Biomedical Engineering

Industry Conclave

Call for Abstracts

Last date of Abstract Submission: **AUGUST 31, 2022**

Jointly Organized in HYBRID MODE by
**Department of Biotechnology, IIT Kharagpur and
Bose Institute**

**On behalf of the
Biological Engineering Society, India (BESI)**
